More information about this score

Pupils here achieve a similar grade in each qualification on average, compared to similar pupils across the country.

184 out of 189 pupils at the end of Key stage 4 are included in calculating this Progress 8 score and confidence interval.

Pupils who have no key stage 2 results (for example, those arriving at secondary school from an independent school or abroad) are not included in the Progress 8 measure. See the [Secondary Accountability Measures](#) guidance for more information.

The following graph shows the score for this school or college, as well as the range of its confidence interval, and how these relate to the banding.

Staying in education or entering employment ?

This shows the number of pupils who either stayed in education or went into employment after finishing key stage 4 (after year 11, usually aged 16).

Grade 5 or above in English & maths GCSEs ?

This tells you the percentage of pupils who achieved grade 5 or above in English and maths GCSEs.

Attainment 8 ?

Schools get a score based on how well pupils have performed in up to 8 qualifications.
