

**GCSE Results day will be on  
Thursday 23 August 2018 from 9:00am**

There will be a consent slip with your GCSE results envelope, this is for your GCSE Maths exam. If you sign this slip your Maths teachers will be able to see your exam scripts electronically, this helps to identify how you have performed in each area of the papers and if any post results services need to be applied for. It also asks if you consent to allowing your exam script to be used (anonymously without your name being shown) for further teaching within the school. Any concerns about signing this permission slip should be raised with Mr Brimson or Miss Taylor.

If you would like someone to collect your results on your behalf you must hand in a signed note to Reception before the end of term (Friday 20 July). The note must state the name and address of the person collecting the results and must have your signature authorising the collection. On results day the named person must come and collect the results presenting a valid form of ID (such as a driving licence) which matches the name/address on your consent note. No results envelopes will be given out unless authorisation has been received prior to the day. Please note that a phone call, prior or on results day, is not an acceptable way of giving permission, you must provide a written note giving consent by Friday 20 July.
