

6 April 2020

Dear Parent / Guardian

Eton College is making two of its online self-study courses from the EtonX Future Skills Programme available **free of charge** to state school pupils in the UK. These courses are particularly appropriate for **Year 10 and Year 11 pupils** and offer training in skills important to life and to the workplace.

EtonX's Future Skills Programme provides 7-10 hours of self-study content. Each course is fronted by a different Eton teacher, but the skills learned are generic and useful for all students preparing for higher education or the workplace.

Eton have received huge interest in their courses and I am delighted to inform you that we have secured the following courses for our students: CV Writing (Year 11) and Resilience (Year 10).

How to sign up to your EtonX course:

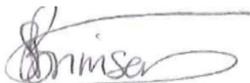

1. Visit the EtonX website and click [Sign up](#).
2. Choose **Sign up with Access Code**.
3. Enter your Access Code (*this will be sent to you separately via text message*).
4. Follow the on-screen instructions. Please sign up with your **school email address**.
5. Congratulations! You can now get started on your course.

Once you have created your account, you can always log in at <https://learn.etonx.com/login> to finish your registration and access your course. If you face any issues during sign up or have any questions, please contact [etonxoffer@etoncollege.org.uk](mailto:etonxoffer@etoncollege.org.uk).

Each code expires *31 July 2020* and must be redeemed before this date.

We hope our students are able to take advantage of this opportunity.

Yours faithfully

**Mr S Brimson**  
**Assistant Headteacher**  
**Director of Maths**

Stiby Road, Yeovil, Somerset, BA21 3EP
