

Westfield Academy

Seeing the qualities in every child

25 June 2019

Dear Parent/Carer

Bus Travel Following the Colour Run

We are writing to you as your son/daughter normally travels on a bus home from school. As you may be aware Westfield Academy will be hosting a Colour Run during period 5 on **Friday 28 June**. To ensure that all students are allowed to travel on buses, and to avoid excess powder paint being transferred on to the bus, please can all students who take the bus home bring the following with them to school on **Friday 28 June**:

- A change of clothes
- A change of footwear
- Towel (to remove excess powder paint)
- A plastic carrier bag (to keep paint covered clothes in)
- Any other preferred method of removing powder paint (wipes, flanel etc)

They will be given time to get changed and ensure they are clean at the end of the Colour Run.

We hope you understand that these measures are put in place to ensure that minimal impact is made to the bus company who do such a fantastic job of ensuring that all students arrive at school safely and on time. This will also ensure that the school does not incur any cleaning charges from the bus company.

Please be assured that these are purely precautionary measures and if all students bring the items on the list and are sensible when removing powder paint, there will be no travel issues and a fun and exciting day will be had by all.

Many thanks in anticipation of your support.

Yours faithfully
