

4 May 2018

Dear Parent/Guardian

On Monday of this week you were notified that OfSTED would be inspecting the school on Tuesday 1 May.

I write to thank the large number who contributed to the inspection whether by messages to the school and/or inspectors, through completing the Parent View survey or through meeting inspectors in the role of parent governor.

As you may know, the inspection was a short inspection that lasted for 1 day only. The inspection went well with inspectors deciding not to return for a second day as they are entitled to do.

I am afraid we are not permitted to share the final judgement with you at this point, however, we look forward to sharing a copy with you when the inspection report is published in 2-3 weeks time.

Yours faithfully

Mr C Hunt
Principal
