

2 February 2018

Dear Parent/Guardian

As part of our preparation for the Maths GCSE examinations this summer I would like to invite your son/daughter to school on Friday 9 February to take part in a Walking Talking Mock. This will take place in the Lower School Hall. Students are not required to be in school uniform but they must bring in the correct Mathematical equipment including a calculator. The Mock will take approximately 2 hours and will take place at the following times;

Foundation Tier Students	9:00 - 11:00	Lower School Hall
Higher Tier Students	13:00 - 15:00	Lower School Hall

If your son/daughter would like to stay in school outside of these hours there is the opportunity for independent study in rooms 29 and 13. This facility will be available between 9:00 - 15:00.

Unfortunately there will be no bus service running on this day, therefore students will have to make their own way to and from school. Under extreme circumstances if transport is going to be a problem can your son/daughter see me next week as a matter of urgency. I am very keen that attendance at this event is as high as possible. Please note the canteen will be closed on this day.

The Maths examination dates for this summer are:

Paper 1 - Non Calculator	24 May AM
Paper 2 - Calculator	7 June AM
Paper 3 - Calculator	12 June AM

Thank you for your support with this event and for encouraging your son/daughter to attend Maths Mondays, both of these interventions were proven to have a significant impact last year.

Yours faithfully

Mr S Bcrimson
Director of Maths
