Dear Parent/Guardian

The options process is now complete and students have been placed into their option groups for next year. I am pleased, that this year no student will be studying a subject that was not in their main or reserve choices.

I have met all students who were allocated a subject from their reserve choices. Your child will have been allocated their first 4 choices if they have not been seen by me. Your son/daughter's tutor will be able to confirm these if your child is unsure of the subjects they selected.

I look forward to working with you over the next two years and supporting your child in being successful in the subjects they have chosen to study.

Yours faithfully

Mr M Reid
