

10 January 2022

Dear Parents and Carers

### **Year 11 Support for GCSE evening**

On **Thursday 20 January** we are running an information evening for parents/carers of Year 11 students from 6.00 - 7.00pm in the Upper School Hall.

During the evening, we will offer advice and guidance for parents/carers in supporting your son or daughter through the process of preparing for the GCSE examinations and through the May and June examination period.

During the event we will share practical strategies for improving the effectiveness of independent study and revision, whilst also addressing the importance of good organisation and personal well-being. Subject leaders for English, Mathematics and Science will give a short presentation on how to support your child in these subjects.

There will be an opportunity to speak to members of staff in order to raise questions or seek further advice.

I hope you will be able to attend this event. Please complete the [form](#) to confirm your attendance. It is not necessary for your child to attend this event with you as all students will get access to the material in lessons and assemblies.

Because of the ongoing Covid pandemic we will be asking all parents/carers and students to wear face coverings unless exempt. I would also ask that you take a lateral flow test before the event.

Yours faithfully

**Mr M Reid**  
**Deputy Headteacher**
