

January 2019

Dear Parent/Carer

Year 11 - Supporting Your Child for Success Evening

On Wednesday 16 January we are running an evening for parents/carers of Year 11 students from 6:00 – 7:15pm in the Upper School Hall.

During the evening, we will offer advice and guidance for parents/carers in supporting your son or daughter through the process of preparing for the GCSE examinations and through the May and June examination period.

We will look at practical strategies for improving the effectiveness of independent study and revision, whilst also addressing the importance of good organisation and personal well-being. Subject leaders for English, Mathematics and Science will give a short presentation on revision strategies in their areas and give parents/carers guidance in how to support their sons and daughters in these subjects.

There will be the opportunity to speak to members of staff in order to raise questions or seek further advice. This evening will also be shortly followed by Year 11 Parents' Evening, where you will be able to talk directly with your child's teachers about revision and preparing for the GCSE exams.

I hope you will be able to join us for this evening. Please could I ask that you complete the form below to confirm your intention to attend?

Yours faithfully

Mr M Reid
Deputy Headteacher
