

## Summer Term 2

### Yr 8 Boys Leadership-

A small group of Year 8 boys took part in a project to develop their leadership, teamwork and woodworking skills to construct some new benches for the school. These will be placed under the new outdoor seating area which will be by the upper school hall. The boys did a fantastic job and were very proud of the outcome. We hope many students for years to come enjoy using the benches at breaks and lunchtimes.

Well Done Boys!!!

### Games-

Our Y7 girls are Rounders Area Champions 2022 after winning their semi-final vs Gryphon and their final against Swanmead. Over 30 students attended training every week and only 9 can play in the team so I would like to congratulate each student who has been a part of our whole squad success. Although you may not have played a competitive fixture you have contributed to the training environment and we hope to see everyone back next season!

Lydia Raybould, Isabel Hillier-Nickels, Rosie King and Emily Palmer have been nominated for a County Netball trial where they will be competing against the best Y9/10s in Somerset to gain a place on the performance pathway. Lily Noone, Kitty-Boo Andrews, Summer Kuhn and Lily Simonite have been nominated for a Yeovil Satellite Netball trial where they will be competing against the best Y7/8s in the Yeovil area to gain a place on the performance pathway. Good luck girls!

Dominic Mines has been selected for the U18 England Handball Team and will be representing the team this Summer in Denmark! An outstanding achievement at only 16 years of age. He will be flying to Denmark on 1st August to play against Iceland and Finland.

Good luck Dominic!

### Yr 8 French Competition-

Mrs Bryan set a competition to our Yr 8 students: -'Create a replica of the Eiffel Tower, or other famous landmarks in Paris. They could draw it, build it, even create an edible version. Congratulations to Karinka - here she is with her winning entry.

Well Done  
Karinka

# A Message from Mr. Bromham

Well! Year 7 has gone by super quick!

It has been a fantastic year for our Year 7 students and it is hard to believe that we're now looking forward to the exciting journey of Year 8 and all that it will bring. It has been so lovely watching our students flourish as the year has progressed. Our Year motto WORK HARD & BE KIND will follow us through to the end of school and I have to say our students certainly have shown this since last September. Throughout the year on my visits into classrooms I have seen our students really taking part, getting involved and some of the expressions on their faces have been memorable.

The Year 7 sports teams are literally going from strength to strength whether that be Football, Netball, Rounders, Cricket & Athletics!

I am super proud of this year group and along our journey so far we have had plenty of laughter, fun and tears! New friendships have been made and I like to think this year's group has a real 'family' feel about it. We have recently started to have whole Year 7 assemblies again and it is lovely to see all 237 of them together 'under one roof'.

My thanks must also go to my team of tutors who work tirelessly every single day, Mrs. Trapnell, Mr. Holland, Mrs. Partington, Miss. Cole, Mr. Maddison, Mr. Walls, Miss Taylor, Mrs Knight and Mr. Hoskins.

My special thanks must also go to Miss. Nardiello who is our Academic Head of Year who has supported our students throughout the year. A final thank you to Miss Bishop who is our Deputy Head of Year and has played a major role this year supporting myself with pastoral care.

Have an enjoyable summer, stay safe and I look forward to seeing you all in September!
