## FOOD & NUTRITION

It's been a busy term in Food & Nutrition. Competitions, trips, Year 11 revision breakfast, end of unit cooks and mock exams. Congratulations to Theo and Tanaya who competed in the final for South West Young Chef. Theo and Tanaya also competed in the National Final of the ICG Young Chef competition along with Layla and Ruairidh in Bournemouth earlier in the year. Tanaya placed second in this prestigious competition for the under 14s! We took a group of Year 10s to Bournemouth to see the Royal Academy specialised chef scholarship course and made mocktails! Fingers crossed for some successful applications next year, following in the footsteps of some of our Alumni chefs. We have had lots of amazing dishes cooked this term including Year 9 'free choice' end of unit cooks and the Year 10 mock exams. Amazing efforts all round!

Congratulations to the members of Ventus House who won the House Competition this year! The students in Ventus and our top points scorers from each year group were treated to a fun afternoon on the Lower School Field.
