

Complaints Procedure

Approval Date – July 2025

Review Date – July 2026

Who can make a complaint?

This complaints procedure is not limited to parents or carers of children that are registered at the Academy. Any person, including members of the public, may make a complaint to Westfield Academy about any provision of facilities or services that we provide. Unless complaints are dealt with under separate statutory procedures (such as appeals relating to exclusions or admissions), we will use this complaints procedure.

The difference between a concern and a complaint

A concern may be defined as *'an expression of worry or doubt over an issue considered to be important for which reassurances are sought'*.

A complaint may be defined as *'an expression of dissatisfaction however made, about actions taken or a lack of action'*.

It is in everyone's interest that concerns, and complaints are resolved at the earliest possible stage. Many issues can be resolved informally, without the need to use the formal stages of the complaint's procedure. Westfield Academy takes concerns seriously and will make every effort to resolve the matter as quickly as possible.

If you have difficulty discussing a concern with a member of staff, we will respect your views. In these cases, the headteacher will refer you to another staff member. Similarly, if the member of staff directly involved feels unable to deal with a concern, the headteacher will refer you to another staff member. The member of staff may be more senior but does not have to be. The ability to consider the concern objectively and impartially is more important.

We understand however, that there are occasions when people would like to raise their concerns formally. In this case, Westfield Academy will attempt to resolve the issue internally, through the stages outlined within this complaint's procedure.

How to raise a concern or make a complaint

A concern or complaint can be made in person, in writing or by telephone. They may also be made by a third party acting on behalf of a complainant, if they have appropriate consent to do so.

Complainants should not approach individual governors to raise concerns or complaints as they have no power to act on an individual basis and it may also prevent them from considering complaints at Stage 3 of the procedure.

Complaints against Academy staff (except the headteacher) should be made in the first instance, to the Headteacher via the Academy office. Please mark them as Private and Confidential.

Complaints that involve or are about the headteacher should be addressed to the Chair of the Governing Board, via the Academy office. Please mark them as Private and Confidential.

Complaints about the Chair of the Governing Board, any individual governor or the whole trust or governance board should be addressed to Mrs Lisa Jeffreys (the Clerk to the Governing Board) via the Academy office. Please mark them as Private and Confidential.

For ease of use, a template complaint form is included at the end of this procedure. If you require help in completing the form, please contact the Academy office. You can also ask third party organisations like the Citizens Advice to help you.

In accordance with equality law, we will consider making reasonable adjustments if required, to enable complainants to access and complete this complaints procedure. For instance, providing information in alternative formats, assisting complainants in raising a formal complaint or holding meetings in accessible locations.

Anonymous complaints

We will not normally investigate anonymous complaints. However, the headteacher or Chair of the governance board, if appropriate, will determine whether the complaint warrants an investigation.

Time scales

You must raise the complaint within three months of the incident or, where a series of associated incidents have occurred, within three months of the last of these incidents. We will consider complaints made outside of this time frame if exceptional circumstances apply.

Complainants should be reassured that the academy will always endeavour to resolve the issue within the time frame of each stage of the procedure.

Complaints received outside of term time

We will consider complaints made outside of term time to have been received on the first Academy day after the holiday period.

Scope of this Complaints Procedure

This procedure covers all complaints about any provision of community facilities or services by Westfield Academy, other than complaints that are dealt with under other statutory procedures, including those listed in Appendix C.

If other bodies are investigating aspects of the complaint, for example the police, local authority (LA), ESFA (Education Skills and Funding Agency), safeguarding teams or Tribunals, this may impact on our ability to adhere to the timescales within this procedure or result in the procedure being suspended until those public bodies have completed their investigations.

If a complainant commences legal action against Westfield Academy in relation to their complaint, we will consider whether to suspend the complaints procedure in relation to their complaint until those legal proceedings have concluded.

Resolving complaints

At each stage in the procedure, Westfield Academy wants to resolve the complaint. If appropriate, we will acknowledge that the complaint is upheld in whole or in part. In addition, we may offer one or more of the following:

- an explanation
- an admission that the situation could have been handled differently or better
- an assurance that we will try to ensure the event complained of will not recur
- an explanation of the steps that have been or will be taken to help ensure that it will not happen again and an indication of the timescales within which any changes will be made
- an undertaking to review Academy policies considering the complaint
- an apology.

Withdrawal of a Complaint

If a complainant wants to withdraw their complaint, we will ask them to confirm this in writing.

Stage 1 - Informal Complaint

It is to be hoped that most concerns can be expressed and resolved on an informal basis.

Concerns should be raised with the appropriate person at the school (e.g. your child's class teacher) and to work constructively with that person towards resolving them. Most concerns can be dealt with, without resorting to the formal stages of the complaint procedure. We recognise that the sooner concerns are raised the easier it is for an appropriate resolution to be found.

Please contact the appropriate staff member through the main school office via our [contact form](#).

- Pastoral Concerns: Please contact your child's Tutor or Head of Year in the first instance.
- Academic Concerns: Please contact your child's subject teacher or Head of Department in the first instance.
- SEND Concerns Please contact the SENDCO Miss Zebedee via the following email address: sendregister@westfieldacademy.co.uk/
- If the nature of your concern is broader, you may contact: Pastoral Lead – Mr Burles, or Deputy Headteacher - Mr Reid.

Complainants should not approach individual governors to raise concerns or complaints. They have no power to act on an individual basis and it may also prevent them from considering complaints at Stage 3 of the procedure.

At the conclusion of their investigation, the appropriate person investigating the complaint will contact the complainant, usually by telephone, to provide an informal response within **5** academy days of the date of receipt of the complaint.

If the issue remains unresolved, the next step is to make a formal complaint.

Stage 2 - Formal Complaints

Formal complaints must be made to the headteacher (unless they are about the headteacher), via the academy office using the Complaint Form at Appendix A.

The headteacher will record the date the complaint is received and will acknowledge receipt of the complaint in writing (either by letter or email) within 2 school days.

Within this response, the headteacher will seek to clarify the nature of the complaint, ask what remains unresolved and what outcome the complainant would like to see. The headteacher can consider whether a face to face meeting is the most appropriate way of doing this.

Note: The headteacher may delegate the investigation to another member of the academy's senior leadership team but not the decision to be taken.

During the investigation, the headteacher (or investigator) will:

- if necessary, interview those involved in the matter and/or those complained of, allowing them to be accompanied if they wish
- keep a written record of any meetings/interviews in relation to their investigation.

At the end of their investigation, the headteacher will provide a formal written response within 30 Academy days of the date of receipt of the complaint.

If the headteacher is unable to meet this deadline, they will provide the complainant with an update

and revised response date.

The response will detail any actions taken to investigate the complaint and provide a full explanation of the decision made and the reason(s) for it. Where appropriate, it will include details of actions Westfield Academy will take to resolve the complaint.

The headteacher will advise the complainant of how to escalate their complaint should they remain dissatisfied with the outcome of Stage 2.

If the complaint is about the headteacher, or member of the governing body (including the Chair or Vice-Chair), a suitably skilled and impartial director will be appointed to complete all the actions at Stage 2.

Complaints about the headteacher or member of the governing body must be made to the Clerk, via the Academy office.

If the complaint is:

- jointly about the Chair and Vice Chair or
- the entire governing body or
- the majority of the governing body

Stage 2 will be considered by an independent investigator appointed by the governing body. At the end of their investigation, the independent investigator will provide a formal written response.

Any written response from the headteacher, a governor, or independent investigator will advise the complainant that if they remain dissatisfied they can escalate to stage 3 of the procedure.

Stage 3 - Panel Hearing

If the complainant is dissatisfied with the outcome at Stage 2 and wishes to take the matter further, they can escalate the complaint to Stage 3 – a panel hearing consisting of at least three people who were not directly involved in the matters detailed in the complaint with one panel member who is independent of the management and running of the school.. This is the final stage of the complaint's procedure.

A request to escalate to Stage 3 must be made to the Clerk, via the Academy office, within 10 Academy days of receipt of the Stage 2 response.

The Clerk will record the date the complaint is received and acknowledge receipt of the complaint in writing (either by letter or email) within 2 Academy days. Requests received outside of this time frame will only be considered if exceptional circumstances apply.

The Clerk will write to the complainant to inform them of the date of the meeting. They will aim to convene a meeting within 20 Academy days of receipt of the Stage 3 request. If this is not possible, the Clerk will provide an anticipated date and keep the complainant informed.

If the complainant rejects the offer of three proposed dates, without good reason, the Clerk will decide when to hold the meeting. It will then proceed in the complainant's absence based on written submissions from both parties.

If the complaint is:

- jointly about the Chair and Vice Chair, or
- the entire governing board (Trust or Local), or
- the majority of the governing board

Stage 3 will be heard by a completely independent committee panel.

The complainant may bring someone along to provide support. This can be a relative or friend. Generally, we do not encourage either party to bring legal representatives to the panel hearing. However, there may be occasions when legal representation is appropriate.

For instance, if an Academy employee is called as a witness in a complaint meeting, they may wish to be supported by union and/or legal representation.

Note: Complaints about staff conduct will not generally be handled under this complaint's procedure. Complainants will be advised that any staff conduct complaints will be considered under staff disciplinary procedures, if appropriate, but outcomes will not be shared with them.

Representatives from the media are not permitted to attend.

At least 17 Academy days before the meeting, the Clerk will:

- confirm and notify the complainant of the date, time and venue of the meeting, ensuring that, if the complainant is attending, the dates are convenient to all parties and that the venue and proceedings are accessible
- request copies of any further written material to be submitted to the committee at least 10 Academy days before the meeting.

Any written material will be circulated to all parties at least 5 Academy days before the date of the meeting. The panel will not normally accept, as evidence, recordings of conversations that were obtained covertly and without the informed consent of all parties being recorded.

The panel will also not review any new complaints at this stage or consider evidence unrelated to the initial complaint to be included. New complaints must be dealt with from Stage 1 of the procedure.

The meeting will be held in private. Electronic recordings of meetings or conversations are not normally permitted unless a complainant's own disability or special needs require it. Prior knowledge and consent of all parties attending must be sought before meetings or conversations take place. Consent will be recorded in any minutes taken.

The panel will consider the complaint and all the evidence presented. The panel can:

- uphold the complaint in whole or in part
- dismiss the complaint in whole or in part.

If the complaint is upheld in whole or in part, the panel will:

- decide on the appropriate action to be taken to resolve the complaint
- where appropriate, recommend changes to the academy's systems or procedures to prevent similar issues in the future.

The Chair of the panel will provide the complainant and Westfield Academy with a full explanation of their decision and the reason(s) for it, in writing, within 10 Academy days.

The letter to the complainant will include details of how to contact the Education, Skills and Funding Agency (ESFA) if they are dissatisfied with the way their complaint has been handled by Westfield Academy.

The response will detail any actions taken to investigate the complaint and provide a full explanation of the decision made and the reason(s) for it. Where appropriate, it will include details of actions Westfield Academy will take to resolve the complaint. The response will also advise the complainant of how to escalate their complaint should they remain dissatisfied.

The panel will ensure that those findings and recommendations are sent by electronic mail or otherwise given to the complainant and, where relevant, the person complained about. Furthermore, they will be available for inspection on the school premises by the proprietor and the head teacher.

A written record will be kept of all complaints, and of whether they are resolved at the preliminary stage or proceed to a panel hearing, along with what actions have been taken, regardless of the decision.

All correspondence, statements and records relating to individual complaints will be kept confidential except where the Secretary of State or a body conducting an inspection under section 109 of the 2008 Act requests access to them.

Duplicate Complaints

When a complaint has been closed at the end of our procedure, and we receive a duplicate complaint from a spouse, partner, grandparent, child or other individual, we will inform the new complainant that we have already considered that complaint and that our process is complete.

However, if any new aspects to the complaint that were not previously considered are identified these will be investigated and dealt with to the full extent of the complaint's procedure.

If the new complainant is dissatisfied with the academy trusts handling of the original complaint they can contact the Department for Education (DfE) as advised in the paragraphs that follow.

Next Steps

If the complainant believes the Academy Trust did not handle their complaint in accordance with the published complaints procedure or they acted unlawfully or unreasonably in the exercise of their duties under law, they can contact the DfE after they have completed Stage 3.

The DfE will not normally reinvestigate the substance of complaints or overturn any decisions made by Westfield Academy. Their responsibility is to ensure academies comply with their funding agreements. They will consider whether Westfield Academy has adhered to legislation and any statutory policies connected with the complaint and where they feel that the Academy has not dealt with the complaint properly they will request that the complaint is looked at again.

If the Academy's procedure does not meet regulations, they will ask the academy to put this right and will enforce this request under the terms of the funding agreement.

The complainant can refer their complaint to the DfE online at: <https://www.gov.uk/complain-to-dfe>, or by post to: -

Appendix B – Westfield Academy policy for managing serial and unreasonable complaints (based on guidance provided by the DfE [Department for Education])

Westfield Academy is committed to dealing with all complaints fairly and impartially, and to providing a high-quality service to those who complain. We will not normally limit the contact complainants have with our academy or academies. However, we do not expect our staff to tolerate unacceptable behaviour and will act to protect staff from that behaviour, including that which is abusive, offensive or threatening.

Westfield Academy defines unreasonable behaviour as that which hinders our consideration of complaints because of the frequency or nature of the complainant's contact with the academy, such as, if the complainant:

- refuses to articulate their complaint or specify the grounds of a complaint or the outcomes sought by raising the complaint, despite offers of assistance
- refuses to co-operate with the complaint's investigation process
- refuses to accept that certain issues are not within the scope of the complaint's procedure
- insists on the complaint being dealt with in ways which are incompatible with the complaint's procedure or with good practice
- introduces trivial or irrelevant information which they expect to be considered and commented on
- raises large numbers of detailed but unimportant questions, and insists they are fully answered, often immediately and to their own timescales
- makes unjustified complaints about staff who are trying to deal with the issues, and seeks to have them replaced
- changes the basis of the complaint as the investigation proceeds
- repeatedly makes the same complaint (despite previous investigations or responses concluding that the complaint is groundless or has been addressed)
- refuses to accept the findings of the investigation into that complaint where the academy's complaint procedure has been fully and properly implemented and completed including referral to the Education, Skills and Funding Agency
- seeks an unrealistic outcome
- makes excessive demands on academy time by frequent, lengthy and complicated contact with staff regarding the complaint in person, in writing, by email and by telephone while the complaint is being dealt with
- uses threats to intimidate
- uses abusive, offensive or discriminatory language or violence
- knowingly provides falsified information
- publishes unacceptable information on social media or other public forums.

Complainants should try to limit their communication with the academy that relates to their complaint, while the complaint is being progressed. It is not helpful if repeated correspondence is sent (either by letter, phone, email or text), as it could delay the outcome being reached.

Whenever possible, the headteacher or Chair of the governance board will discuss any concerns with the complainant informally before applying an '*unreasonable*' marking.

If the behaviour continues, the headteacher will write to the complainant explaining that their behaviour is unreasonable and ask them to change it. For complainants who excessively contact Westfield Academy causing a significant level of disruption, we may specify methods of communication and limit the number of contacts in a communication plan. This will be reviewed after six months.

In response to any serious incident of aggression or violence, we will immediately inform the police and communicate our actions in writing. This may include barring an individual from Westfield Academy.
