

Looked After (and previously looked after) Children Policy

Approval Date – January 2022 Review Date – January 2023

Westfield Academy provides a co-ordinated approach for the education of looked-after and previously looked-after children.

Rationale

Looked-after children (LAC) are young people of statutory school age who reside in short- or long-term care (foster care/residential care) and previously looked-after children are those who are no longer looked after because they are the subject of an adoption, special guardianship or child arrangements order. LAC (and previously LAC) have the same access to education as other students which is appropriate to their age and ability. This includes access to a broad and balanced curriculum, including the national curriculum.

We aim to provide continuity of schooling and educational experience to ensure that the child or young person is fully included within the school setting. Staff at school share positive perceptions and high expectations of the child with other professionals, but especially with the young person themselves. Adults in school are sensitive to the child's wishes over what is known, and by whom, regarding their looked after child status.

Designated teachers for LAC (and previously LAC) are responsible for planning and meeting the young person's educational and social needs in each school year. The designated teacher for LAC is the Assistant Headteacher/SENCo (Behaviour).

This policy ensures that all staff in our school are clear about the actions necessary with regards to LAC (and previously LAC). Our aim is to raise awareness and ensure effective communication between all staff when teaching or supporting LAC (and previously LAC).

The roles and responsibilities as set out in this policy refer to both looked-after and previously looked-after children with the exception of the Personal Education Plan (PEP) and are dependent on families informing the school of previously looked-after status.

Roles and Responsibilities

1.1. The Governing Body will:

- Establish this policy, in consultation with the Senior Leadership Team, staff and parents, and keep it under regular review (Student Matters Committee).
- Ensure that the policy is non-discriminatory and is communicated clearly to students and parents/carers.
- Review the effectiveness of policy and practice.

1.2. Headteacher

- To attend case conferences or nominate an appropriate member of staff to attend on his/her behalf (Designated Safeguarding lead or Head of Year).
- Maintain records of case conferences and other sensitive information in a secure confidential file and to disseminate information about the child only on a 'need to know basis'.
- Ensure that educational, care and health information is up to date and fully maintained in the child or young person's school file.
- Ensure that positive messages about behaviour and achievement are shared within the school, and between the school and outside agencies, so that high educational expectations are maintained.

- Tasks may be delegated to the Designated Safeguarding Lead

1.4 Heads of Year

- Ensure school records are up to date with current names and addresses of carers, birth parents and social workers.
- Be aware of, and sensitive to, the appropriate role of the birth parents.
- Oversee records of educational performance and attainment.
- Ensure the young person has the opportunity to participate fully in educational planning and decision making (via completion of the PEP).
- Oversee the day to day welfare of the young person and ensure that they have a trusted adult in school who is able to take time to listen to them.
- Report appropriate statistical information, held by the school, upon request from the designated teacher for LAC.

1.5 Class Teachers and other adults

- Knowledge of who on the school staff has responsibility for LAC – Assistant Headteacher/SENCO (Behaviour) and Designated Safeguarding Lead.
- Immediately discuss an issue or concern relating to LAC with the Designated Teacher or Designated Safeguarding Lead, giving it the highest priority.
- Have high expectations of the young person, encouraging achievement and ambition.

- Instil confidence, self-esteem and a sense of belonging in the student
- Be aware of a variety of issues that may undermine the young person's ability to engage in the learning process including feelings of loss, rejection, isolation, confusion and low self-esteem. Refer concerns directly to Assistant Headteacher/SENCo (Behaviour), Designated Safeguarding Lead or Head of Year.
- Acknowledge possible unresolved feelings the young person may have about their own families and siblings, in addition to insecurity over their current homes and carers.
- Provide a safe haven and a sympathetic ear in a crisis.
