**TEACHER OF MATHS  
(With potential to Lead on Statistics)**

Date posted: 1 May 2026	Salary: ECT, Main scale and Upper Pay Scale <i>Potential TLR3 for leading on Statistics</i>
Start date: 1 September 2026	Contract term: Permanent
Contract type: Full Time	Suitable for ECTs: Yes

Due to the increasing popularity of Statistics among our students, we are looking for a practitioner to lead on this growing area of our curriculum.

While the ability to take the lead on Statistics is highly desirable, it is not essential, and we would not want this to discourage a great teacher from applying. We are primarily looking for an outstanding educator; for the right candidate, we are happy to provide the necessary support and professional development to help you step into this leadership role as the subject continues to expand.

We can offer the opportunity to teach in a “happy, inclusive and caring school”.  
“The school’s ethos is built on warm and respectful relationships between staff and pupils”.  
Where “Staff feel valued and empowered.”

**Quotes from recent “Good” [Ofsted Nov 23](#).**

We can offer you:

- A Chromebook for each member of the teaching staff

- An opportunity to live and work in a fantastic part of the country.
- A school that has teachers’ professional autonomy as a key priority.
- A strong vibrant staff social ethos for example with a staff choir, staff steel pan band, five a side football

We are looking for people with:

- A passion for learning and teaching and an ambition to develop their own practice
