

Dear Year 9 Students and their parents/carers

Impartial Careers Information, Advice and Guidance and Support – Year 9 options support

For those of you that I have not had the pleasure to meet yet, I am Beth Church, Westfield Academy's Careers and Skills Adviser. I am from Inspired to Achieve, providers of impartial, independent careers information, advice and guidance in your son/daughter's school.

As an adviser, I work with students in school to identify their plans and to steer them towards a successful progression route. If you or your son/daughter would like any information, advice or support in choosing your year 9 options, then please contact me using the contact details below.

In the meantime, here are a few useful websites giving some good hints and tips on successfully choosing options:
