Westfield Academy

Seeing the qualities in every child

Dear Parents/Carers

Update on Year 11 Final Day & Planned Activities

As our students approach the end of their time with us here at Westfield Academy, we would like to highlight three key dates and confirm the arrangements for their last day.

Friday 28th May - Leavers' Assembly and BBQ

Period 1 - Time with Tutor, Period 2 - Year Assembly followed by a BBQ and shirt signing / saying their goodbyes. Students will be leaving the school site by 12:30pm. There will be a minibus available for those who would normally catch a bus - please ask your child to speak to Mrs Mitchell if they require transport home.

Thursday 1st July - Prom

We are working hard to ensure this will be a great night and hope the lifting of restrictions means students will be able to celebrate in the usual way. Please use this [link](#) if you have not yet selected your food choices from the menu or made payment.

Thursday 12th August 2021 - GCSE Results Day

Further details will be distributed nearer the time, at present we plan to create a booking service to enable students to come on site and collect their results.

It is not expected that Year 11 students will attend school following the May/June half term break. We will update our school website with details of the support being offered by colleges and other organisations whilst students transition. Currently, there are plans being developed for a fantastic range of opportunities for students to participate in this summer; in order to both prepare them for the next stage in their education and also further develop important skills such as team-working and independence.

Chromebook Returns & Uniform Donations - We require those students who have a loan chromebook and a charger to return these to school before **Thursday 27th May**. These can be handed in to Reception or the Head of Year. If you should have any uniform that could be donated to the school, as part of our new Pre-Loved uniform scheme, this would be very gratefully received, this can be taken to school reception or passed on via the Heads of Year.

We would like to take this opportunity to wish all of the Year 11 students the very best for their futures. It has been a pleasure working with them during their five years at Westfield Academy. Thank you also for the support from parents and carers, especially during the last year where the students were faced with the most uncertain times. The resilience and determination shown will stand them in good stead for pastures new. We look forward to seeing them all again at Prom!

Yours faithfully

Mr M Reid
