March 2021

Chromebook Scheme 2021

Dear Parent/Carer

Thank you for choosing Westfield Academy for your child from September 2021. We look forward to welcoming them here soon.

As you may be aware Westfield Academy runs a Chromebook Scheme where all students have a Chromebook to use in lessons and at home. As you can imagine this has proved utterly invaluable over the last twelve months! We sincerely hope of course that education will not be disrupted in the same way in the future - however the learning benefits of the scheme stretch far beyond simply the ability to have a device to work with from home.

The attached documents explain the scheme in more detail. Parents have the option to purchase a device either outright or over a period of time. If you are unable to do so the school will provide a restricted, loaned Chromebook. All students need access to a Chromebook and we are committed to ensuring all students can do so regardless of their ability to pay.

Please read the information carefully, then complete the online form by clicking the link below. We will then send further information about how to pay depending on the option you choose.

The Chromebook Option form can be accessed by clicking this Link:

<https://forms.gle/BcPHDa4T8UuNSK5W7>

The deadline for responding is 31st May.

If you have any questions about the scheme please email finance@westfieldacademy.co.uk

Many thanks

Mr M Payne
Business Manager
